

# Astrological Mysticism Of The 4 Super Moons

## Introduction

There are multiple Prophetic Astrological Implications that are evident in these 4 Super Moons during the last 5 Months of 2024...

- These Super Moons all appear in the exact same 4 Months that Initiate the Final Countdown of Kim Clements Prophecies as well as the other Prophets, this was supposed to happen in the same Year that his "Strange July" Prophecy was Fulfilled in which that was Fulfilled this Year with Trump's Assassination Attempt with the Fall Of Kings in September. Many of Kim Clement's Prophecies about these 4 Months goes back to the Year 2005!!!

- Each of these Super Moons implies multiple things that other Prophets have said.

- Everything is perfectly Synchronized with the Prophetic Timeclock as shown by the Prophets.

- These Signs take place during the 7th Year of the Revelation 12 Cycle and seem to correspond to the 4 Horsemen appearing in the Sky on October 9th.

- The Two Middle Super Moons are Two Sides of the Same Coin (Twins).

- At the Middle Point, the Draconid Meteor Showers Occurred.

- These Dates are directly tied together with Troy Black's Recent Prophecy about 3 Significant Events on 3 Different Dates this Year and that God Said that each Significant Event would take place either on or around these Dates this Year.

• The 3 Dates are...

1. September 17th, 2024.

2. October 18th through the 19th, 2024.

3. November 20th, 2024.

"God Showed Me 3 Important Dates On The Calendar. Prophetic Warning" (Troy Black)

<https://youtu.be/ufha2rJoDKs>

(A). \*The Feast Of Tabernacles is also during the Dates of 10/18 & 10/19 which is RIGHT AFTER the Super Hunter Moon (American Pharaoh) on the Day right BEFORE the 18th on 10/17!\*

(B). 10/18 is 13 Days before Halloween.

(C). 10/19 is 12 Days before Halloween which is Kim Clement's Prophecy about this huge Event that will scare the whole World.

(D). Another Prophet has Prophesied that an Event would Occur during this Month of October in a Divinely Chosen Elect City in America that will "Host an Event" that will cause whole World to have a Revival that would kick off the Global Revival which seems to point to it taking place in Independence, Missouri where the New Zion is going to be because he said that it will be in a Specific City that God has Chosen for such a Time as this (Like in the Book of Esther!).

## **Sturgeon Fish Blue Super Moon (August 19th, 2024)**

- This is the First Super Moon that kicks off the Astrological Prophecy and it is a Blue Moon which is only Occurs every 2 to 3 Years and is the only Blue Super Moon of the 4.

- This occurred during the Leo Month which is tied to Zeus’s Wife Leto (Feminine Version of the Male “Leo”) who a Goddess of Modesty, Motherhood, and Childbirth!

- Two Super Moons are BOTH Represented by LEO which is the August Super Moons and the October Super Moon because October used to be the 8th Month before Julius Caesar added two more Months to create his Julian Calendar hence the Prefix “Octo” in which Leo is connected with both August (8th Month on the Gregorian Calendar) and October (Original 8th Month) which is the SCORPIO which is the 8th Zodiac Sign.

- Apollo, Son of Zeus and Leto (Twin Brother Of Artemis) is associated with the Sun which is the Planet of the Leo Constellation!

- Leto was the Mother of Artemis (VIRGO).

- Leo was named after the Nemean Lion that was slayed by Zeus' OTHER CHILD Hercules on August 8th (8/8) with LEO GATE going into September 9/9 with HARVEST.

- Leto is directly connected with the "Blue Moon" in August who is the ROYAL LEO CHILD OF BLUE of the VIRGO DIVINE MOTHER who was Artemis, the Daughter of Leto.

- August is the LEO Child of the VIRGO September Month.

- Sturgeons are connected with the Great Flood because they are from the same Seas that are from the same Ancient Near Eastern Regions and they only Reproduce in Fresh Water (Anadromous) which is tied to the Abyss (Abzu) which is directly tied to the Flood with the Food Waters and the Abyss.

- Sturgeons are also the Messengers and Symbols for Aquatic Deities like Poseidon who founded Atlantis which was DESTROYED BY THE GREAT FLOOD!

- Sturgeons Symbolize Rebirth during Chaos!

- So Sturgeons were eaten by all of the Kings of the Bible and Charlemagne and were probably used in atleast three of Jesus's Miracles including the Miracle of Feeding the 5,000, the Miracle of the Fish in Peter's Boat, and the Coin in the Fish's Mouth.

- The Ichthys (Jesus Fish) Symbol is also connected with Sturgeons because it represents any Fish of that Region that included Sturgeon for Royalty (KING OF KINGS). The word "Ichthys" (ἰχθύς) itself literally means "Fish" in Greek, which also used as an Acronym in Early Christianity (Ante-Nicene Era Church) Representing the Phrase "Ἰησοῦς Χριστός, Θεοῦ Υἱός, Σωτήρ" (Iēsous Christos, Theou Yios, Sōtēr), which Translates to "Jesus Christ, Son Of God, Savior."!

- Everyone in the Early Church recognized that the Ichthys Symbol was tied to the Number 153 (John 21:11) which even Augustine Noted that the Number 153 Represented the Completeness Of The Church or the Multitude Of Believers.

- Augustine also pointed out that 153 is the Sum of the First 17 Integers (1+2+3+...+17), and the Number 17 was considered Symbolically Significant, combining 10 (The Number of the Commandments.) and 7 (The Number of Divine Perfection & Completeness with the Septenary Principle.).

- 17 is the Number of VICTORY which represents the Sturgeon Fish and is also Prophetically linked to the 2nd and 3rd Super Moons (It's a Prophetic Astrological Sequence!) the Day that both the Harvest and Hunter Super Moons will each take place this Year on the 17th!

- 17 is a very significant Number in the Ancient World...

- Osiris (THE HUNTER) was Murdered by his Brother Set on the 17th Day of the Month of Athyr. This event marked the beginning of Osiris's Journey to the Underworld, and his subsequent Resurrection was Symbolically tied to the Number 17 to be revived by Isis who was known as the "Virgin Mother" (VIRGO).
- In Genesis 7:11, the Great Flood started on the 17th Day of the Second Month.
- 17 is tied to the Hebrew Term טוב (Tov) which means "Good" and "Fortune" and "Victory" and is tied to Harvest and Hunters!
- This is all tied back to Fertility which is tied to the VIRGO with all ties back to the VIRGO Mother and the Blue LEO Child (Revelation 12 Sign) that ties together with the Blue Sturgeon Fish that is also linked with Fertility, Harvest, and the Hunt with Good Fortune!
- The True Hunter (The True Blue Horus) will bring in The Harvest Of Jesus Christ!

### **Red Blood Harvest Super Moon (September 17th, 2024)**

- This is the only Red Blood Moon which takes place during the VIRGO Month (Which Symbolizes Fertility and Female Menstruation along with Bleeding during BIRTH or REBIRTH!), kicking off the Fall Season, which is connected with the Goddess Artemis who a Virgin Goddess (VIRGO) and Twin Sister of Apollo (Leo/Sun).
- The Harvest itself is represented by Demeter (Goddess Of Harvest), who is also called "Deo", which ties back to #7 of the 12 Prophetic Horse Deaths and Brazil that Mark Taylor Prophetically Warned about!

"12 Horse Died Around The Kentucky Derby Last Year. Little Has Changed Since"  
<https://amp.theguardian.com/sport/article/2024/may/03/twelve-horses-died-around-the-kentucky-derby-last-year-little-has-changed-since>

- The 7th Horse that Died was named "Chloe's Dream" (7 Years since the Revelation 12 Sign.) and the name "Chloe" (Χλόη) in Greek means "Greenish-Yellow" which was an Epithet for Demeter who was represented by this Color (Green & Yellow Symbolize Harvest & Fortune.).

(A). \*The Prophetic Numbers of American Pharaoh are 5, 12, & 26, which is Hexadecimal Code of the Greenish-Yellow which is what the name "Chloe" means, which this ties to the 12 Prophetic Horses that Died and what's to come!\*

- Racehorse #9 that Died is called "RIO MOON" and was tied to the Christ: The Redeemer Statue is in Rio de Janeiro the 2nd Super Moon was on September 17th (Exactly 8 Days [LEO is Symbolized by 8] after 9/9) which ties back to the Royal Blue LEO Sturgeon Super Moon.

(A). You also have the Greenish-Yellow tied to the Brazilian Flag () as Green, Yellow, & Blue are the National Colors of Brazil! This is a Sign that Christ will Redeem the America!

(B). Green & Yellow are also connected with Olive Oil and Anointing ("Christ" and "Messiah" both mean "Anointed").

\*\*\*Use the Email  about the Mysticism of Wine and Oil in the Ancient Near East.\*\*\*

- Demeter was also the Child of Cronus/Saturn (Titan God Of Time) and Rhea (Titan Goddess Of Agriculture and Soil and Fertility.) which goes back to the Draconid Meteor Showers and Saturn and going back to the Twilight Zone (Exiting Satan's Timeline.) on Halloween Night.

- The Halloween Festival traces back thousands of Years to the Ancient Celtic Festival of "Samhain" which was Celebrated to Ward Off Evil Spirits (Exorcism) because they believed this was the Night that the Veil between the Astral Realm and the Material Realm was the thinnest where the Spirits of the Dead (Demons) could Haunt Mortals.

\*\*\*Celtics are Nomadic Hunter-Gatherers and are represented by Rurality. You have the Harvest (Demeter-Chloe) and Hunt (Artemis & Apollo) which are tied to Rurality.\*\*\*

- Knowing about this Holiday, Pope Gregory III Designated November 1st as "All Saints' Day" to Honor Dead Christian Martyrs and Saints who are with Christ in Paradise during the 8th Century (8 = AUGUST [LEO] & SCORPIUS).

- Both the September (VIRGO) Super Moon and the October (LIBRA, JUSTICE, STATUE OF LIBERTY, LIBERTUS) Super Moons are on the SAME DAY (17th) and which shows that they are DIRECTLY CONNECTED with each other and that they are TWINS just like Artemis and Apollo are TWINS who are both Hunters (Artemis is a Huntress.) and are depicted holding Bows (ARCHERY).

- Artemis is the Twin Sister of Apollo (Male Hunter God Of Archery) which corresponds to the INTJ Jungian Personality Type (INTJ's are called "The Archer").

- Artemis is the Goddess of the Hunt, Wilderness, Wild Animals, Virginity, Chastity, & Childcare.
- Artemis is an Huntress Goddess, which points to October 17th, since it is the Hunter Super Moon which Apollo is the God Of Archery) which means that you have the Blood Red Harvest (REBIRTHING) and the Super Hunter!
- The Hunter is also a Symbol of Male Fertility & Masculinity in Rural Regions which represents being the Chief Provider (Alpha Male & Head Of The Home) which comes with the Territory of the Hunter Archetype.
- She is one of the 3 Virgin Goddesses in Greek Mythology who were her Half-Sister Athena (Goddess Of War) and Hestia (Goddess Of Home, Hearth, and Hospitality).
- NASA also had the Artemis Program where they had a series of Artemis Missions tied to the Moon (DIVINE FEMININE) where in the First Artemis Mission, they tried to put THE FIRST WOMAN ON THE MOON and TRIED TO FIGURE OUT THE COLOR OF THE MOON IN FIRST PERSON!

### **HALFWAY POINT: Draconid Meteor Showers (October 6th - October 10th, 2024) & Four Horsemen Of Revelation 6 (October 9th, 2024)**

Just like there was a Pause at the Transition Point at the end of the Seals in Revelation Opening and how there was a Pause in between the Seals and the Trumpets after the Lamb Opened the 7th Seal, there is there a HALFWAY POINT between the Second and Third Super Moons!

### **DRACONID METEOR SHOWERS (PEAKS ON OCTOBER 8TH, 2024)**

- There's a Second 8/8 Date this Year if you know that October also resembles 8 because of the Prefix "Octo" because it used to be the 8th Month before the Julian Calendar was Introduced. That Second 8/8 Date is 10/8/2024.
- On that exact same Date in the West, NASA is Reporting when it turns 10/9 in Jerusalem, but is still 10/8 in America, Jupiter will HOVER over Jerusalem!

- This will be the PEAK NIGHT of Meteor Shower known as the “Draconids” that will be centered on the Head of the Draco Constellation (Red Dragon).
- “Pouring Hot Coals on the head of The Devil”? It seems that The Devil is going to be Humiliated by God!
- There is also Predicted to be a Recurring Nova Event that will cause the Constellation Corona Borealis to have an 8th Star that is Forecasted to Occur around this exact same Time as well which is directly tied to the Revelation 12 Sign!

“A Rare Stellar Explosion Will Soon Reveal A ‘New’ Star”

<https://www.pitt.edu/pittwire/features-articles/corona-borealis-nova-explosion>

\*\*\*Could this be THE STAR OF GOSHEN?\*\*\*

\*\*\*“HE WILL BE A SIGN TO THIS GENERATION AND WILL SHATTER ALL RECORDS” - Mark Taylor [Prophecy about THE STAR OF GOSHEN.]\*\*\*

- It's like God is continuing the Write Out and Finish His Writing of the Story of the Mythology of the Revelation 12 Sign in the Sky right in front of us!

## **FOUR HORSEMEN OF REVELATION 6 (OCTOBER 9TH, 2024)**

- On October 9th, 2024, we will see the Constellations of the Four Horseman of Revelation 6...

- White Horse whose Rider was given a Crown = Sagittarius (Centaur) which has a Bow. The Moon is positioned right at where the Arrow FIRES in the Bow and will be Big White and BOW-SHAPED on the Night of October 9th. Sagittarius will be accompanied by his Crown which is the Constellation Corona Australis (Southern Crown). This Specific Occurrence only happens once every 7 Years!
- Black Horse with a Pair of Scales in his Hand = Centaurus (Horse) & Libra (Pair of Scales) which is also Liberty and is Symbolized by Libertus (The Statue Of Liberty).

\*\*\*The Greek Term used in Revelation 6:5 is “Yoke” which is another well known name for Libra. Venus is positioned exactly in the Center of the Scales. \*\*\*

- Red Horse = Mars (Red Planet/God Of War).
- Pale Horse = One-Half of the Gemini Constellation (Apollo/Apollyon = God Of Destruction).

### **Each Of The Four Horseman Corresponds To One Of The Four Super Moons**

- **White Horse**: Super Hunter Moon— Oct 17<sup>th</sup> — Apollo is an Archer Hunter God and is also tied to Light and Truth which is Symbolized by the Color White. Apollo's Personal Color is actually Gold which Symbolizes the Crown of the Rider of the White Horse!
- **Fiery Red Horse**: Blood Red Harvest Moon— Sept 17<sup>th</sup> — The Blood Red Color completely gives it away and is tied to the VIRGO Sign is tied to the Red Blood of Female Fertility (Menstruation & Childbirth) and Harvest directly tied with Birthing.
- **Black Horse**: Beaver Super Moon— Nov 15<sup>th</sup> — The Beaver is the Final Super Moon and Beavers Symbolize the RECONSTRUCTION AFTER DESTRUCTION which corresponds to the Economic Collapse predicted with the Black Horse that has the Pair Of Scales which is the LIBRA Month which is in November which ties back to being REBIRTHED with the Sturgeon Super Moon because Sturgeons only Spawn in Freshwater and Beavers only dwell in Freshwater. Freshwater Symbolizes REBIRTH FROM THE ABYSS.
- **Pale Horse**: Blue Sturgeon Super Moon— Aug 19<sup>th</sup> — Since the Sturgeon represents REBIRTH, the Sturgeon represents the Pale Horse because of be America will be REBORN after her DEATH (Financial Collapse). The Sturgeon gives Birth in Fresh Water (Abyss) but dwells in Salt Water (Chaos).

\*\*\*In some Versions, this Horse is actually **Pale-Green** which also points back to the Dead “RIO MOON” Racehorse (Racehorse #9 = VIRGO and SAGITTARIUS [CROWNED RIDER]) with the Brazilian Flag, Christ The Redeemer Statue, and Demeter-Chloe.\*\*\*

### **Hunter Super Moon (October 17th, 2024)**

- The Third Super Moon is the Super Hunter's Moon on which is directly connected with the Blood Red Harvest Super Moon from September 17th since they are the only 2 out of the 4

Super Moons that are both on the 17th (The 1st Super Moon was on August 19th and the Final Super Moon will be on November 15th.).

- The Hunter Super Moon is represented by Artemis' Twin Brother Apollo and shows Deep Connection with the Red Blood Harvest Super Moon.

\*\*\*Apollo was such a Central Greek Deity that the Romans were too afraid to Latinize his name because they Feared his Wrath, so he is the only Greek God to have fully retained his Greek Name in the Latin Language whereas all of the other Gods & Goddesses got Latinized Names (E.g. Cronus becomes Saturn, Zeus becomes Jupiter, Hermes becomes Mercury, etc.).\*\*\*

- This also points back to the Blue Sturgeon Super Moon because Apollo Symbolizes Divine Royalty (Blue) and because October is another 8th Month which is Symbolized by the LEO that belongs to the Sun which is Symbolized by Apollo, the Son of Zeus.

- This takes place the Day around Troy Black's 2nd Prophetic Date Period which he said is around October 18th - 19th and he said that it could either Occur around or on those Dates.

- This also takes place during The Feast Of Tabernacles which is when the Covenant is Renewed and Restored with God and the King and is Prophetically Linked to God's Kingdom and Kingship.

• The Feast Of Tabernacles signifies the Renewal of God's Covenant where He will Shatter The Wicked and remove those who are Corrupt in Power.

(A). The Elite Falling is the CROSSING THE JORDAN RIVER Moment that Johnny Enlow Prophesied about where the Elite would be SHAKEN OUT of the Seven Mountains and then the Righteous will take their Places in them.

(B). This is all Deeply Connected to the Fall Season and the Harvest which is both the Global Harvest Of Souls and the Harvest of Conquering the Seven Mountains and their Wealth Harvest (Wealth of the Enemy is Transferred to the Righteous.).

\*\*\*Bo Polny says that this Super Hunter Moon Symbolizes the Hunters becoming the Hunted.\*\*\*

(1). He says this on Time-Mark 46:10...

[https://youtu.be/-sdSjCxW\\_cU](https://youtu.be/-sdSjCxW_cU)

- So God puts a New Orion (American Pharaoh) in place and Hunts down the Former Hunter (Nimrod).

- American Pharaoh will basically take the title “Gilgamesh” away from Nimrod essentially like Mordecai and Haman from the Esther Mythos (Hence the Secret Esther Month of Adar II from earlier this Year and Iran [Persia] attacking Israel!).
- Betelgeuse WANED which Signaled THE END of the Nimrod Hunter and the Super Hunter Moon on October 17th will Herald the NEW HUNTER (THE NEW ORION).
- This would point to the Idea that the New Hunter is going to head the Harvest which lines up with the concept of the Moon, the Harvest, and the Hunt that are all associated with Artemis (Diana) and the Ancient Harvest Festivals that were typically Celebrated on Halloween Day which is where we get the Hallow’s Eve (Halloween) Holiday from.

### **Beaver Super Moon (November 15th, 2024)**

- The Final Super Moon is the Beaver Super Moon that Symbolizes Reconstruction after a River Flood (Which Symbolizes Chaos from the Abyss because Rivers are Fresh Water.) which Celestially points to a Coming Collapse and Immediate Subsequent Rebuilding.
- Beavers Dwell in Freshwater and represent the Abyss, but can also represent Sweet-Tasting (Sweet Waters) Prosperity like in the Jordan River where the Israelites Crossed for Prosperity and where Jesus was Baptized by John The Baptist who was the Elijah of his Time, which is very significant because of all of these Prophecies from many people about this Elijah/John The Baptist Prophet who is about to show up.
- This happens 5 Days away (5 is one of the Prophetic Numbers of American Pharaoh.) from Troy Black’s 3rd and Final Prophetic Date on November 20th!
- This is also during the Hypnotic November Month that Kim Clement Prophesied for 2024 back in 2005!
- What would also be considered to be extremely Ironic in the Ancient World is that immediately after the first 3 Super Moon that symbolize Divinely Royal Rebirth & Renewal (Blue Sturgeon Super Moon), Prosperity (Harvest Super Moon), with the “Hunters becoming the Hunted!” (Hunter Super Moon), we then have a Beaver showing Reconstruction from Disaster!
- But this actually all makes perfect sense though when you look at all through the Spiritual Lens of the Prophets who Prophesied that it will be a Great Wealth Transfer and Harvest for the Remnant Church (Seven Mountain Prophecy), but it will be through the Collapse of the

Neo-Babylonian American Empire to Resurrect (Blue Sturgeon) it as a New Holy Mystical Empire that will be a Typological repeat of King Arthur and Emperor Charlemagne's Kingdoms!
