

## **THE ORIGINAL PLAN AND REVISED PLAN:**

I do know that the Coronavirus was supposed to be the "Crowning Moment" for the "Crowned And Conquering Child God".

Hillary was supposed to be President and Gilgamesh would be Crowned by the Pandemic hitting and then everyone being locked up in their houses and then World War 3 would've taken place in The Middle East because they were preparing for all of this while she was Secretary Of State for Barack Obama.

They were behind everything in Syria to prepare for World War 3!

Then while everyone was locked up and tearing each other apart of Social Issues, there will be a Global Alien War and then a False Return Of Jesus and then a "Revelation Of The True Messiah" which will be Gilgamesh.

Then Gilgamesh and the "Aliens" will say that Lucifer is "The True El God" and that Lucifer is "The God Of Infinity Across All Galaxies In All Parallel Universes".

They will say that Planet Earth is where "The Intergalactic Savior Of All Galaxies And Universes" resides and that he is "The Fallen Hero Gilgamesh".

Then they will kill off all of Mankind in an Alien vs Human War.
