

HYBRIDS IN SCRIPTURE

Advanced Alien Weaponry From Lilith: The Goddess Of The Yemim Monsters, A Repetition Of History With The Return Of The Yemim Monsters & 2 Samuel 23:20

What's crazy about that Aeon Of Thmaist though that's supposed to be the Next Aeon after the Aeon Of Horus is when Humanity is supposed to learn the "True Will" and the "True Order" of the Gods by Themis!

So yeah, that's definitely when the Luciferian Doctrine would've been brought up! That's for sure!

It's all right there in front of us!

This is definitely the Hour that Humanity would "embrace" the Luciferian Doctrine that Albert Pike talked about, we know that the Nephilim and Yemim were the Warriors and Sages of Ancient Societies and that's the exact Role that the Aliens are supposed to play too!

They will have Advanced Weaponry for the Warrior Aspect and then they will claim and appear to Blind Eyes to have a lot of "Wisdom" and "Intelligence" as a Sage would in order to persuade Fools into believing them, those who don't believe them, they will use Force through Advanced Alien Weaponry (Magick) utilizing the Warrior Aspect of the Ancient Nephilim and Yemim.

Even Steve Quayle and Dr. Tom Horn would mention how David's Men fought the Yemim in Scripture when they fought against Lion-Men in 2 Samuel 23:20 and most Translations purposely Demythologize this and Mistranslate it on purpose!

“Benaiah, Son Of Jehoiada, Son of a Valiant Fighter from Kabzeel, performed Great Exploits.

He struck down two Lions Of El from Moab.

He also killed a Lion inside a Pit on a Snowy Day.”—2 Samuel 23:30

2 Samuel 23:30 (BibleHub)

אַרְיֵל (’Ā-ri-’Ēl) in Hebrew literally means “Lions Of El”.

These were Moabite “Lions Of El”.

In Moab, they Worshiped the God Chemosh who they equated with the Canaanite Version of El who is mentioned in multiple places in Scripture...

- **Numbers 21:29:** The Moabites are called “The People Of Chemosh”.
- **Judges 11:24:** Chemosh is associated with the Ammonites.
- **1 Kings 11:7 & 33:** Chemosh is described as “The Abomination Of Moab”.
- **2 Kings 23:13:** King Josiah destroys a Shrine that was Devoted to Chemosh.
- **Jeremiah 48:7:** Jeremiah Prophesies that Chemosh and his Devotees will be Exiled.

Chemosh (Wikipedia)

<https://en.m.wikipedia.org/wiki/Chemosh>

Chemosh was equated with the Semitic High God ֵל(’Ēl) in the Personal Name ֵלכִשְׁמוֹשׁ (Kamōš-’Ēl), meaning "Chemosh is ’Ēl."

El (Wikipedia)

Chemosh was identified with 𐤀𐤃𐤕𐤔𐤕𐤕 (ʿAštar), who was the Moabite Adaptation of the North Arabian God ʿAṭtar, himself a form of the Semitic Deity of the planet Venus, ʿAṭtar, in the combined form of 𐤕𐤕𐤕𐤕𐤀𐤃𐤕𐤔𐤕𐤕 (ʿAštar-Kamōš) which means “Astar is Chemosh”!

ʿAštar (ʿAṭtar) was a Gender-Varied God/Goddess who was Identified with the Planet Venus and is considered the “God of the Morning and Evening Star”!

ʿAṭtar (Wikipedia)

ʿAṭtar is a Prominent Character in the Baal Cycle.

More Evidence Of Yemim In Scripture That Was Hidden

"The Demons shall meet with the Satyrs and the Desert Goat and they shall howl to each other; there too Lilith shall repose and find her Dwelling Place." - Isaiah 34:14.

It literally says לִילִית (lîlîṭ) right there in the Hebrew!

It was always there the whole time.

It ties directly to the Sumerian (Atlantean) Term "lîlîṭû"!

"The Demons shall meet with the Onocentaurs and they shall howl to each other; there shall the Onocentaurs repose and find their Dwelling Place." - Isaiah 34:14. (LXX)

The LXX of Isaiah 34:12 literally says ὀνοκενταύροις (Onokentaurois) which is literally the Greek Plural Term for "Onocentaur" in Greek Mythology/Classical Literature!

The Hebrew points to Lilith/Lilitu and the LXX literally directly mentions Onocentaurs twice!

It shows that Lilith has been given Dominion by Satan over the Yemim as well as the Nephilim!

Lilith As “The Mother Of Demons” With Satan Being Called “The Lord Of The Flies” In The Gospels & “Prince Of Demons” In The Book Of Jubilees

Lilith is literally called "The Mother Of Demons".

Satan was called "Beelzebub" (Lord Of Flies) which is also tied to the title "The Prince Of Demons".

The Devil became "The Prince Of Demons" after the Flood in the Book Of Jubilees where Mastema begged Yihawoh to give him Power over the Demon-Spirits that were dwelling the Astral Realm after the Flood who were killing Noah's Descendants after God has locked them into the Abyss where El gave Satan Dominion over the 10% of the "Least-Evil Demons" to use against the Human Race.

Lilith became "The Mother Of Demons" from her Story in Genesis and other Ancient Texts.

You have Satan who is "The Prince Of Demons" and Lilith who is "The Mother Of Demons".

Donkey-Centaurs In The LXX Version And Other Mentions Of Them In Isaiah

The Term ὄνοκένταυρος (Onokéntauros) in Classical Greek refers to a Creature known as a "Donkey-Centaur." This Word is a Compound of ὄνος (ónos), meaning "Donkey," and κένταυρος (kéntauros), referring to a Centaur, a Mythical Creature with the Upper Body of a Human and the Lower Body of a Horse.

In Greek Mythology and Literature, ὄνοκένταυροι (Onokéntauroi) were sometimes depicted as Beings with the Body of a Donkey and the Torso of a Human, much like Centaurs but with Donkey Features instead of a Horse.

They are relatively obscure and not as prominent as Traditional Centaurs. The Term might have also been used Metaphorically or Humorously to describe Individuals with Stubborn or Foolish Characteristics, drawing on the common association of Donkeys with Stubbornness.

The Scribes of the LXX literally chose a very rare and specific Greek Term FIVE DIFFERENT TIMES in Isaiah!

Once in Isaiah 13:22, Once in Isaiah 34:11, and TWICE in Isaiah 34:14!

Jerome Preserving This Translation In The Latin Vulgate, John Wycliff's Translation, & The King James Bible

Jerome's Translation of the Septuagint and Vetus Latina Versions into the Late Latin Standard Version, the Vulgate, preserved this Interpretation.

John Wycliffe's Early English-Language Translation of the Bible did not use the Word "Onocentaur", but instead Glossed the Term as:

"Wondurful Beestis, lijk Men in the Hiyere Part and lijk Assis in the Nethir Part".

The King James Version Translates the Word as "Satyr".

Monsters In The Dessert – Genesis 36:24

Creatures from the Book of Jasher Found on Mayan Stela

The Book of Jasher is an alternate narrative of the events that happened in the Old Testament, or Torah. Some of the stories are rather odd and mysterious. One such story is about an encounter with strange beasts called Yemim. They were described as small men, or children, with the heads of bears, and long tails that came out from behind their shoulders. In an attempt to describe what was seen, there are descriptions for two more creatures whose names remain a mystery; the keephas and the ducheephath.
