## **The Sibyls & The Homosexuality Topic**

***“Nor Shameful Longing for another's Bed have they, nor Vile and Hateful Lust of Males.”—The Sibylline Oracles: Book IV: Lines: 41-42.***

Book IV

<https://sacred-texts.com/cla/sib/sib06.htm>

You see this in the Sibylline Oracles where in the Ancient World, a Man's Bed was tied to his Body and his Marriage.

I wonder if the Greek of Line 42 where it says “Males” actually just says “Arsen” or “Andros” or if the Author used another Greek Term.

This would help clear stuff up about the Homosexuality Question.

Line 41 also clears up and Harmonizes with the True Meaning Matthew 5:27-28 as well with not Coveting a Woman that's already Married.

So whenever you mention Matthew 5:27-28 again, you can also mention Line 41 of Book VI of the Sibylline Oracles as well that was Written before Jesus and agrees with His Teachings on it before He even walked the Earth!

Book IV also has a ton of Prophecies about Nero.

## **Prophecies About Jesus**

### **Divine Sonship, Divine Kingship, Pre-Existence, Incarnation, & Baptism With The Holy Spirit Dove**

***“The Great Son Of The Immortal famed in Song!***

***I, from the Heart proclaim, to Whom a Throne to be Secured, The Most Father gave  
Before Time.***

***He was brought forth; then He was Raised Up according to Flesh given, Washed, at the  
mouth of the Jordan River, which goes rushing on trailing it's Gleaming Billows  
escaping from the Fire!***

***He first shall see God's Sweet Spirit***

***Descending with the Wings of a White Dove.”—The Sibylline Oracles: Book VI: Lines:

### **House Of David Genealogy, Crucifixion, Crown Of Thorns, Drinking Gall, Identified As God Himself, Calls Jerusalem “Sodom” Which Gets Repeated In Revelation 11:8**

***“But for you only, Sodomitic Land, are Evil Sorrows laid up; for you yourself are  
unkind and did not realize your God Who Mocks Mortal Schemes, but from a Thorn  
you Crowned Him with a Crown, and Fearful Gall you mingled into Dishonor and Spirit,  
this shall bring Evil Sorrows about for you!***

***O' the Wood! O' so Blessed, upon which God was Outstretched; the Earth shall not  
have You!***

***But You shall look upon a Heavenly House, when You, O' God, shall Flash Your Eye Of  
Fire.”—The Sibylline Oracles: Book VI: Lines: 26-36.***

Book VI

<https://sacred-texts.com/cla/sib/sib08.htm>

So here, you literally have the Sibylline Oracles indicating that Revelation 11:8 was REFERRING to the Sibylline Oracles!

Revelation 11:8 says that Jerusalem is Spiritually called “Sodom” and “Egypt”.

The Sibylline Oracles is calling Jerusalem the “Sodomitic Land” BEFORE Jesus was Born!

Revelation 11:8 is literally Echoing the 26th Line of the 6th Book of the Sibylline Oracles!

***“Their Bodies will lie in the Public Square of the Great City—which is Spiritually called “Sodom” and “Egypt”—where also their Lord was Crucified.”—Revelation 11:8.***

Revelation 11 (NIV)

<https://www.biblegateway.com/passage/?search=Revelation%2011&version=NIV>

You also have the Sibylline Oracles DIRECTLY calling Jesus “God” when it was talking about Him being Crucified in the Sibylline Oracles!

The Sibyl Prophesied about the Crown Of Thorns and them giving Jesus Gall to drink out of Disrespect and Dishonor.

Another really big find here!

### **[More Divine Plurality With Greco-Egyptian Gods & Cosmic Dominionism With A Prophecy About Egypt, Apis, & The Nile River](#)**

***“Rich Egypt ever-caring for her Corn which Nilus by his Seven Swimming Streams Intoxicates, shall be destroyed in Intestinal Strife and as a result, shall Men unexpectedly drive out Apis, not the God for Men!”—The Sibylline Oracles: Book VII: Lines: 25-28.***

Book VII

<https://sacred-texts.com/cla/sib/sib09.htm>

Nilus was a Second Generation Titan just like Prometheus was.

Nilus was believed by the Greeks to have Dominion over the Nile River and “Nilus” is also a Latin Name for where we get the Term “Nile River” from.

Nilus (Wikipedia)

[https://en.m.wikipedia.org/wiki/Nilus\\_\(mythology\)](https://en.m.wikipedia.org/wiki/Nilus_(mythology))

The Sibyl is Prophesying that the Seven Streams that the River Titan God Nilus has Dominion over would cause Intestinal Sickness which would cause the Worshippers of Apis to stop Worshipping him and would drive out that Archon from his Dominion of that Region.

Apis was a Bull God in Ancient Egypt who was associated with the Nile River through the Temple Of Ptah in Memphis.

Remember that Ptah, Amun, & Ra are considered to be the same Being and are the Egyptian Trinity.

Triad Ancient Egypt (Wikipedia)

[https://en.m.wikipedia.org/wiki/Triad\\_\(religion\)](https://en.m.wikipedia.org/wiki/Triad_(religion))

In Egyptian Mythology, the Trinity of Ptah, Amun, and Ra represents a Unified Concept where Ptah is considered the Creative Force, Amun embodies the Hidden Aspect of the Divine, and Ra represents the Visible Sun God, essentially combining the Creation, the Unseen Power, and the Manifested Power into One Deity; this is often referred to as the "Memphite Triad" due to Ptah's Primary Worship Site being located in Memphis.

In the Leiden Hymns, Amun, Ptah, and Ra are regarded as a Trinity who are Distinct Gods but with Unity in Plurality. The Three Gods are one yet the Egyptian elsewhere insists on the Separate Identity of each of the Three.

The Greeks combined identified Zeus/Jupiter with Osiris and then combined Apis and Osiris into the Mystery Syncretistic God called "Serapis" who was also heavily revered by the Romans.

**[Foretelling Of The Council Of Laodicea & Their Judgement  
From God Through The Hands Of Another Divine Being—  
Lycus, The Son Of Poseidon!](#)**

***“Alas, alas, Laodicea! You not ever seeing God shall lie, Arrogant One!***

***And over you shall Dash a Wave Of Lycus.”—The Sibylline Oracles: Book VII: Lines 30-31.***

Book VII

<https://sacred-texts.com/cla/sib/sib09.htm>

So right there in the Sibylline Oracles, you have the Sibyl Prophesying that Laodicea shall be arrogant and will claim to “see God” when they are actually lying and that God will give them Divine Punishment by the Island God Lycus, Son Of Poseidon and Celaeno who was one of the Pleiades.

“Lycus” means “Wolf” in Ancient Greek and is where we get the Term “Lycanthropy” and “Lycanology” with Werewolf Mythology as well.

Lycus, Son Of Poseidon (Wikipedia)

This clearly shows that the Council Laodicea was corrupt when they removed the Book Of Revelation and the other Books from their Canon!

***More Hellenistic Mythologization & Divine Plurality With The Sibyl Renouncing Apollo & Pythos Worship At Delphi Like The Other Sibyls (Acts 16:16-18) & Openly Admitting That These Oracles Are Both From The Past & Also Prophecy About The Future***

***“People of boastful Asia and of Europe, hear how much, all too true, I am about, through a Month many-toned, from my Great Hall to Prophecy; no Oracle am I of Lying Phœbus whom Vain Men called “God” and further Falsified by calling “Seer”!***

***But of The Powerful God, Whom, the Hands Of Men did not Form like Speechless Idols carved of Stone, for He does not have a Stone for His Abode!***

***The most dumb and toothless are drawn to a Temple, of Immortals it is a Dishonor very sore!***

***For He may not be seen from Earth, nor be Measured by Mortal Eyes, nor Formed by Mortal Hands.***

***He, looking down at once on all, is seen Himself by no one.***

***His are the Gloomy Night, the Day, the Sun, the Stars, the Moon, the Seas with Fish, the Land, the Rivers, and the mouth of Springs Perennial, Creatures meant for Life, Rains at once producing Fruit of the Field, the Tree, the Vine, and the Oil.***

***By this God, a Whip struck through my Heart within to compel me truly tell to Men what things have now Befallen and how much shall Befall them yet again from the First Generation to the Eleventh.***

***For He Himself by bringing them to pass will prove All Things.***

***But do thou in All Things, O' People, to the Sibyl give all Ear, who pours from Hallowed Mouth a Truthful Voice!"—The Sibylline Oracles: Book IV: Lines: 1-28.***

Book IV

<https://sacred-texts.com/cla/sib/sib06.htm>

“Phœbus” is an Ancient Hellenistic Divine Epithet for Apollo.

Apollo “Phœbus” (Wikipedia)

<https://en.m.wikipedia.org/wiki/Apollo>

This Sibyl is declaring that she is not one of the Sibyls of Delphi who Worshipped Apollo.

Delphi “Pythos” (Wikipedia)

<https://en.m.wikipedia.org/wiki/Delphi>

This is a clear connection with Acts 16:16-18

Acts 16 (NIV)

<https://www.biblegateway.com/passage/?search=Acts%2016&version=NIV>

The Sibyl is saying that the Prophecies from God are the Prophecies that are true.

She openly says that these Oracles that she is giving are both from the Past and the Future and a lot of them are for the Future as well.

She also says that they are Eleven Generations into the World apparently.

So this may also be an Indicator of when this Sibyl lived.

### ***The Widespread Reverence For The Sibylline Oracles Amongst Pagans, Secular Religious Leaders, & Royalty***

The Books of the Sibylline Oracles were used by Roman Authorities to Interpret Natural Disasters, Foreign Entanglements, and Wars.

The Books were kept in a Stone Chest under the Temple Of Jupiter Capitolinus (Also known as "The Temple Of Jupiter Optimus Maximus".) in Rome.
