

KIM CLEMENT PROPHECIES

Revelation 12 Prophecy (41:40) & Resurrection Gold Prophecy (10:55)

Kim Clement Prophesied the return of the Revelation 12 Sign back in 2009 and tied it to everything that's happening right now.

So Kim Clement's Prophecy was Fulfilled on September 23rd, 2017.

Kim Clement's Revelation 12 Sign Prophecy is at the 41:40 Time-Mark.

You can also see his Resurrection Prophecy Song about the Gold and the Key Of David with Pythos being removed at the 10:55 Time-Mark that Trump Fulfilled this Resurrection Day Tweeting about owning the Gold and also with the New Golden Age.

Also, that Revelation 12 Sign occurred literally 3 Days after Rosh Hashanah started and literally appeared in the Sky 1 Day after Rosh Hashanah ended.

Bo Polny pointed out that 7 Years, 7 Months, and 7 Days (777) after Rosh Hashanah 2017 is Pope Francis's Funeral tied to the Death of Pythos and the Serpentine Vatican Hall that Bo Polny also noticed.

Then, also 777 after the Revelation 12 Sign on 9/23/2017 is May Day 2025 which is a Worker's Holiday which is tied to Workers entering God's Kingdom which is the Billion Soul Harvest that the Prophets have been Prophesying about and Bo Polny says it also has a Double Meaning with it being "MAYDAY!" for the Elite, like the Military Distress Signal, which is another Sign that the time of the Red Dragon is ending.

When Kim Clement Sings about this "Coming Key"  he says that there's "Words inside" the Treasure Chest, so this must be tied to Mark Taylor's Prophecy about the Missing Scriptures.

This directly connects with the "All Roads Lead To Rome" Prophecy about the Missing Texts from Mark Taylor was all about the Vatican's Corruption and Pope Francis being Judged by God.

So this is more Prophetic Fulfillment with all of this.

Mention where Kim Clement had Gold Bracelets which is where he said “Watch the Gold” and song the “Resurrection” Song and how on Resurrection Sunday Trump tweeted out “He who owns the Gold makes the rules!” and how Gold went up to an All-Time-High on 4/21, the same Morning that Pope Francis died and Klaus Schwab left the World Economic Forum.

In the Lyrics of that same Prophetic Song by Kim Clement, God says that He is going to give us all His Key Of David.

This goes back to the Mark Taylor Prophecies where American Pharaoh is called the “Key To The Kingdom”.

He is also called the “Image Of Reality”, “Empire Maker”, “Lord At War”, “Unbridled”, and the “General”, whereas God is called “The Supreme Commander” in Mark Taylor’s Prophecies.

He’s also called the “Star Of Goshen” which points to the Aeon Of Goshen.

The Prophetic Title where he is called “The Image Of Reality” points back to the Divine Pleroma and David Flynn’s Book on Isaac Newton and God being outside Space and Time.

This Prophet will literally represent God’s Pleroma Realm according to what’s being said.

In Kim Clement’s Prophetic Song he is connected with “Miracles like we’ve never ever seen!” because that’s what the Lyrics say.

Jesus was called “The Door” and “The Gate” in the New Testament.

In the Acts Of Peter, Jesus was called “The Pearl” and “The Treasure”.

In the Song, Kim Clement says that this “Key Of David” will unlock the Treasure Chest, then he said “Words inside” (Could that be the Missing Scriptures?), then he says “Treasure Of The North”, could that mean the Northern Sky, referring to Jesus and the Missing Scriptures that Testify about Him like the Book Of Enoch does?

Jesus is the Logos, after all.

But yeah, there is so much Spiritual Prophetic Meat there, it’s crazy!

Jesus is “The Gate”, “The Door”, “The Treasure”, and “The Pearl”.

Pearls were hidden in Treasure Chests a lot and so was Gold, going back to “Watching the Gold”.

You need the Apocryphal Texts like the Book Of Enoch and the Acts Of Peter (Both Old & New Testament Apocrypha) to unlock these Riddles in the Prophecies.

Basically using the Missing Books to Decode Modern Prophecies.

By yeah, this “Key To The Kingdom” who is called the “Key Of David” was said to be tied to Miracles that have never been seen or heard of before according to Kim Clement.

We’ve both heard of these crazy stories of Miracles in the Apocryphal Texts that were super crazy, apparently, this is nothing compared to what we are about to see through this Mystery Prophet.

Bo Polny Vatican Serpentine Hall (33:00)

You could also use this Video from that other Interview that Bo Polny did with David Nino Rodriguez’s Channel at the 33:00 Time-Mark where Bo Polny makes the exact same connection that you did with Pope Francis dying and the Serpentine Hall in the Vatican with Pythos being removed.

He even made the Snake in the Color Red so Symbolize that the time of the Red Dragon is coming to an end.

Another thing that connects with all of this was that Smiley Face that just appeared in the Sky that the whole World was able to see.

Saturn  on the Left (Father Time/God The Father), Venus on the Right (Morning Star/The Son), and the Crescent Moon  on the bottom (Divine Feminine/The Holy Spirit).

Saturn  represents God The Father’s True Timeline and Satan’s False Timeline being denied, that is another Fulfillment of Mark Taylor’s Prophecy about that.

The Smiley Face represents how the Saints Of God are about to become really happy soon during the Aeon Of Goshen (The True Golden Age).

There’s a lot more Astrological Symbolism and Significance than that, but that’s just a few.

Trump also went to Pope Francis' Funeral 7 Days after he died.

7 is the Spiritual Number of SPIRITUAL THINGS, THE SWORD, & THE END, which is right before the Spiritual Number 8, which means NEW BEGINNINGS, SPIRITUAL EYES, INFINITY, & OPEN DOORS.
