From Séance To Science: A Brief History Of Societal Control

Apparently, Martin Luther and John Calvin were not only inspired by Nominalism (Which this Article goes into great detail about...), but was inspired by ideas that lead to Rosicrucianism about a Century later which played a massive role in Aleister Crowley's Theology and Crowley's Mother was a Darbyist Protestant as well.

The Article also delves into how Protestantism also partnered up with Darwinism and all of these other issues with the Elite and Occultism.

It also talks about how Nominalism also played a Key Role in Rosicrucianism and how that tied into Aleister Crowley, Theosophy, and the New Age.

It deals with how they viewed Sin and Righteousness and how Martin Luther's and John Calvin's Nominalistic Beliefs played a huge role into Luciferianism, Darwinism, Transhumanism, and Mankind trying to overthrow God like the Tower Of Babel with AI and Technology.

Predictions Of & Protests Against Replacing God With Computers & Technology In Music

Also, you can bring up how Ronnie James Dio predicted all of this back in 1992 in his Lyrics to "Computer God" by Black Sabbath that was criticizing the Worship of Technology and the Computer and placing it over God in the Hearts of Mankind...

Timothy Alberino Clip On Replacing God With Technology & Transhumanism

Timothy Alberino mentions the same concept in his new Interview with The Deep End Podcast at the 1:13:35 Timemark.

There's a ton of interesting stuff said and the whole Video is marked out showing all of the different Timemarks on YouTube, but the 1:13:35 Timemark Section is the most relevant...

Freemasonry, Secret Societies, Predictive Programming In Music & Media

You could also mention the Lyrics to "Secular Haze" by Ghost openly reveal what's going on in the World and how Secularism is a Satanic/Luciferian Weapon...

The Founder of the Band and the Vocalist Tobias Forge is openly a 33° Freemason and said that he was "driven into the arms of Satan when his Brother died when he was a Child" and he said that he was "fond" of The Devil ever since and is acting childishly and irrationally about his fanaticism of Satan (Aeon Of The Child).

Albert Pike On How The Three World Wars, Secularism, Cessationism, Atheism, & Protestantism Will Lead The World Into The Luciferian Doctrine

Then you can show the Quote that Albert Pike said about the Rise Of The Atheists and Antitheists and how they wanted both Christianity and Atheism being destroyed at the same time so the Luciferian Religion would take place and how Protestants would play a big role in that since they always have to reinvent themselves every single New Generation.

Calvinists and Cessationists (A lot are one and the same.) make arguments that aid and abet Atheism all the time and they love to talk like Atheists and Skeptics while claiming to be Christian.

“Having an appearance of Godliness, but denying its Power.” (2 Timothy 3:5).

Type in "Protestantism" in the Article below and you will have a quote from Albert Pike saying that Protestants would be the most likely to accept the Luciferian Doctrine and the Orthodox would be the least likely to accept the Luciferian Doctrine.

You also have all three quotes about the Three World Wars in this Article as well...
