Alice Bailey predicted that in 2025 the Hierarchy of the Gods will be revealed and the Gods would start showing themselves to Mortals again and that "Spiritual Masters" would become more influential.

As Prophet Kim Clement Prophesied...

"I will surprise them all!"

Satan wanted to repeat what he did with the Evil Titans in Genesis 6 which is what the Pagan Ancient World falsely called the "Golden Age".

Now God is going to manifest the True Golden Age Of Goshen with Trump announcing the New Golden Age.

The Prophets have been Propheying that Angelic Activity is going to become very common and the Secrets of Enoch will return which also suggests that we will learn a lot more about John Dee as well which is all tied to Angelic Activity.

So the Righteous Gods and Goddesses of Jesus Christ will dwell with Humanity within the correct Boundaries and won't lust after the Children Of Men.

The Devil Wanted a Repeat From "The Days of Noah"

- There was a "Second Incursion" of Gods and Goddess mating with Mortals AFTER the Flood as proven in the Epic Of Gilgamesh ([12:51](#))

- Utnapishtim (Akkadian) and Ziusundra (Sumerian) are the Mesopotamian Versions of Noah ([13:23](#)).

Noah VR

- The Book Of Giants from the Dead Sea Scrolls and an interesting Theory about why there was a Giant named "Gilgamesh" in the Book Of Giants which is because the Giants Post-Flood apparently had a Tradition of naming themselves and their Children after the Giants Pre-Flood ([14:31](#)).

- There could be Multiple Incursions both before and after the Flood (**15:50**).
- God sent many Punishments on Earth against the Titans and Giants before the Flood such as Volcanic Eruptions, Earthquakes, Meteors, Stars/Constellations falling, and etc. according to other Sources almost like the Plagues Of Egypt whereas the Flood was the Final Solution (**18:23**).

- Humanity was created as a response and a resolution to the Gods rebelling against The Most High God from long ago and that's why we are destined to become Gods to replace the Evil Gods who rebelled and so that we can judge them because they used the Giants to do their dirty work to try to kill off Humanity (**20:40**).

- The Gods were replaced with other Gods throughout the Years as they kept having Sex with Mortals and Animals and The Most High God kept putting more and more restrictions on them and they learned which lines not to cross but Satan still defends them in the Divine Council as Prince (Archon/Ruler) of this World (**48:20**).
